The Basics of Understanding Wine

Learn to identify wines made from various grapes, both red and white. You'll receive a solid grounding in the fundamentals which will help you select wines with authority and enable you to discover your own wine preferences. You'll leave this class with the knowledge you need to select wines to complement any meal. Topics include: •The 20-point wine rating system •The concept of a "taste memory" •The differences between the most important red and white wines •The price/quality relationships of red and white wines. Bring two wine glasses to each class. **Participants must be a minimum of 21 years old.**

4 Mondays, Jan. 22 - Feb. 12
7 - 9 p.m.
Golden Creek Inn
33 Creek Rd., Irvine
\$92, plus \$20 wine fee payable
to instructor at first class
